

The **Institute of Public Affairs** is pleased to invite you to hear a presentation on

The state of democracy in Queensland

Tuesday 13 November, 5:30 for 6pm

Presented by

Dr Scott Prasser

University of the Sunshine Coast

Scott Prasser is a Senior Lecturer in Management at the University of the Sunshine Coast. Scott writes extensively on public policy issues in *The Australian* and *The Courier-Mail*. He published *Royal Commissions and Public Inquiries in Australia* and is presently co-editing *Elective Dictatorships: The Upper House Solution?*

Recent events in Queensland ranging from the hospitals crisis to local government amalgamations have highlighted the State's executive top down decision-making processes. Combined with a politicised public service this makes for comfortable government. But has it resulted in too many poor decisions?
