Shadow Industrial Relations Minister and Deputy Leader of the Opposition, **Julia Gillard**, will discuss the ALP's Industrial Relations Policy at the inaugural **Your Business Future** lunch.

In a Question and Answer session with ABC TV Insiders host, Barrie Cassidy, Ms Gillard will discuss how Labor will handle Industrial Relations should it win the 2007 Federal Election.

Julia Gillard has had a meteoric rise since entering Federal Parliament in 1998, following a period as Chief of Staff to the then Victorian Opposition Leader, John Brumby, MLA. Before that she was an industrial lawyer and partner at Slater & Gordon law firm. This is a timely opportunity to gain more understanding about one of Labor's most controversial policies in the lead-up to the election.
